Dear Tim Borquez,

My name is Belle Unicorn and I am a 5th grade student at Marengo Elementary School. I am writing to you because our classroom is in need of donations, and you are one of my favorite businesses! I love all the artwork you have on your walls, the cool machines you use with all the buttons, and all the microphones and speakers you have.

I'm lucky enough to have a teacher who thinks saving money is important, so she created a classroom economy system where we get paid "scholar dollars" for the work we do in class. We also have to pay rent, bills, and fees! If you want to know more about this, go to www.janaorozco.weebly.com and under the classroom economy tab it explains everything. Our goal as students is to save as much money as we can so we can buy our favorite items at the end of the year auction. I'm hoping you will be able to donate something from your store.

Thank you for taking the time to read my letter, I'm sure you're very busy running the best shop in town! If you have questions please contact my teacher Mrs. Orozco at (626) 441-5850 or at jorozco@spusd.net. My classmates and I would appreciate anything you can donate.

Best regards,

A handwritten signature in cursive script that reads "Belle Unicorn". The ink is dark and the writing is fluid.
